Cedar Cottage Neighbourhood House E.A.T. Program Media Content Release Form

Throughout the course of the E.A.T. Program, the use of photography and video capture is necessary to ensure educational learning and success. Such photographs/video content will be displayed on a website as a reflection tool for the youth leaders.

The content of the photographs and video are solely taken during the planning and running phases of the program and will reflect what happens in the program only. These criteria pertain to photos being posted online as well.

By signing this form:

I/we authorize ANH of BC to use any photographs take of our son/daughter while participating in the Cedar Cottage E.A.T. program for ANH of BC brochures and promotional materials.
